Introduction:

Department of Pāli and Buddhist Studies is a pioneering department at the University of Kelaniya which was known as the ‘Buddhist Faculty’ in the period of the *Vidyālankāra* University. The main purpose of the Department is to promote large areas of studies and researches of Buddhism giving pivotal attention to Pāli Canon while also academically scrutinizing the teachings of the Buddha together with its philosophical and cultural aspects. Indeed, the mission of the department is to enable the students to handle the wide field of Buddhist Studies successfully. Consequently, Pāli, Buddhist Philosophy, Buddhist Culture and, it newly begins, the subject of ‘Buddhist Psychology’ are the main subjects in the curricula of this Department. It offers both Degrees of Buddhist studies in undergraduate, in which both the General and Special Degrees, and postgraduate levels (B.A./ M.A./ M.Phil./ Ph.D.). As a result of the interest in the study of Buddhism, this department has acquired a remarkable upsurge of fame among the other academic Buddhist institutions not only in Sri Lanka but also overseas. Thus, a remarkable number of foreign students, from various countries such as China, Korea, Vietnam, Cambodia, Myanmar and Bangladesh, are pursuing their academic brilliantly in the

department. Further, countries such as Singapore, Malaysia and China, conduct their academic works in their Buddhist Studies institutions and conferment of degrees following the subject syllabi and other relevant guidelines at the Department of Pāli and Buddhist Studies in the University of Kelaniya.

Programme

8. Criteria of Evaluation.

8.1 Ordinary Pass

All candidates will need to have completed 30 credits, having obtained at least (B-) Grade or higher Grades for each course unit at the end of the first-year written examination, and other 30 credits should be obtained completing the Research Dissertation in the second year. Those candidates, who will have already completed 60 credits with GPA rate, at least, 2.70 or more within four years, will be eligible to obtain “Ordinary Pass”.

8.2 Merit Pass

All candidates will need to have completed 30 credits, having obtained at least (B-) Grade or higher Grades for each course unit at the end of the first-year written examination, and other 30 credits should be obtained completing the Research Dissertation with “A” Grade or higher Grades in the second year. Those candidates, who will have already completed 60 credits with GPA rate, at least, 3.70 or more within two years, will be eligible to obtain “Merit Pass”.

8.3 Minus Pass

The candidates, who could not be obtained (B-) Grade or higher Grades for each course unit at the first year written examination, have to sit for the next year examination in order to complement those repeated papers. (B-) is the highest Grade that can be obtained by the repeated candidates. However, if any of those candidates has received a lower Grade than the previously obtained Grade/s, his previous Grade/s will be validated.

Marks of Grade:

Marks Range	Grade	GPA
85 - 100	A+	4.00
70 - 84	A	4.00
65 - 69	A-	3.70
60 - 64	B+	3.30
55 - 59	B	3.00
50 - 54	B-	2.70
45 - 49	C+	2.30
40 - 44	C	2.00
35 - 39	C-	1.70
30 - 34	D+	1.30
25 - 29	D	1.00
00 - 24	E	0.00

Note:

Any candidate, who has already registered for the two-year M.A. Degree programme, has already passed the written examination, latter, if candidate wishes to change his two years Degree into one-year programme, he will be offered one-year Degree Certificate.

All the candidates, those who wish to follow the one-year Degree Course, should get registered at the beginning of the course. However, latter, if any candidate, who selected the one-year Degree Course and while his studies, wishes to change his Degree into two-year Degree Course or who needs to change the medium should inform that by a letter before three months of the first year, and also, the candidate, who selected the two-year Degree Course, should complete relevant requirements regarding the two-year Degree Course following the guidelines given by the office. Further, the candidates, having completed the above noted prerequisites and having submitted the Research Dissertation, can finish his/her two-year Degree Course.

The candidates, who follow the one-year M.A. Degree Course, should definitely complete all the course units, as afore-mentioned, 1-6 under the “Structure of Course” and also getting pass, for each course unit, is compulsory. The

candidates, who registered for the one-year Degree Course

Teaching Panel

and were unable to complete the relevant requirements within one year, are also given maximum four years to complete their Degree Course.

It should also be noted as mentioned in the number 07 of the “Structure of Course”, submitting a Research Dissertation is only required for the two-year candidates.
