### General Guidelines for Bachelor's Degree Students Academic Year - 2019/2020

#### 01. Academic Year

An academic year is comprised of two semesters. Each semester has 21 weeks which includes 15 weeks of lectures, 02 weeks of study leave and 04 weeks for the examination.

#### 02. Bachelor of Arts Degree

This is a three year degree course. Each academic year of the course is referred to as level one, level two and level three respectively. This can be completed taking on three major subjects.

#### 03. Bachelor of Arts Honours Degree

This is a four year degree course. Each academic year of the course is referred to as level one, level two, level three and level four respectively. It is possible to follow the BA Hons. degree in on one major subject from level two onwards.

### 04. Subjects of the Bachelor of Arts and Bachelor of Arts **Honours Degrees**

Both faculties of Humanities and Social Sciences offer many subjects which can be followed as major subjects for the Bachelor of Arts degrees. The degree programme is based on the course unit system because each major subject is divided into units. Therefore, the Bachelor of Arts degrees are considered degree programmes which are based on course unit system.

#### 05. Course Units

Each major subject is divided into course units and a credit value is allocated based on the lecture hours which are spent on following the units. Therefore, a course unit is a component of a subject which amounts to some credit value. A course unit consists of a minimum of 15 lecture hours. There are **three types** of course units.

5.1 Compulsory Course Units – Abbreviation – "C".

These course units are compulsory. The students must follow all the compulsory course units of their major subjects.

5.2 Optional Course Units – Abbreviation – "O".

The Optional Course Units of a particular subject are offered to students irrespective of the fact whether they follow the particular subject as a main subject or not. These course units can be selected from the same academic level or from a lower level.

#### 5.3 Auxiliary Course Units – Abbreviation "A"

The Auxiliary Course Units of a particular subject are offered to students other than those who follow the particular subject as a main subject. These course units can be selected from the same academic level or from a lower level

COURSE UNITS, Academic Year 2019/2020, Faculty of Humanities & Faculty of Social Sciences

#### 6. Professional Subject Stream

There are eight course units introduced under the Professional Subject Stream from 2021 onwards. Twelve credits should be completed, selecting six credits from each level of 2 and 3.

#### 7. Credits

A Credit means a measurement/scale that is used to value 15 lecture hours or 50 practical hours or 100 internship hours. Accordingly, if 30 lecture hours are needed to study a particular course unit, that course unit carries a value of 2 credits. Likewise, each course unit carries a value which is called "Credit". A minimum of 30 credits should be completed at each level (year) of the Bachelor of Arts Degree and thereby a minimum of 90 credits should be completed at the end of all three levels of the Bachelor of Arts Degree. A minimum of 120 credits should be obtained at the end of all four levels of the Bachelor of Arts Honours Degree.

### 8. University Entrance

The faculties of Humanities and Social Sciences will enroll 1200 undergraduates to follow the BA degree under the proper intake for the academic year 2019/ 2020. Around 550 students will be admitted to the Faculty of Humanities and 650 will be admitted to the Faculty of Social Sciences. Students would be selected for these two faculties based on the subjects they offered at their A/ Ls, the Z-Score and the subjects they wish to follow for the degree. For the students of the Faculty of Humanities, the subjects will be awarded through a Faculty of Humanities Admission Committee that will consider the subjects done at G.C.E. A/Ls, the Z score and the intended subjects for the degree.

### 9. Selection of compulsory subjects / Course Units for the **Bachelor of Arts Degree**

The Faculty of Humanities offers 29 major subjects and the Faculty of Social Sciences offers 18 major subjects for the Bachelor of Arts and Honours

Degree programmes. All major subjects are categorized into 10 subject groups and only one major subject can be selected from one subject group. Each course unit should be selected in such a way that the student covers the prescribed number of credits at each level (year). A minimum number of 30 credits or a maximum of 36 credits should be gained at each level for the Bachelor of Arts Degree.

You are requested to consider the following facts when selecting the subject/course units.

- 9.1 When selecting the three main subjects, consider the subject groups mentioned in the Course Units book and select only one subject from one subject group.
- 9.2 The three subjects that are selected can be from one faculty or from both faculties.
- 9.3 Those students may select ten credits from each of their three main subjects during the Level 1. During Level 2 and Level 3, they may select eight credits from each of their main subjects. During Level 2 and Level 3, six credits from Professional subject stream should be selected for each level, adding up to a total of twelve credits. It is mandatory to complete the Compulsory Course Units (C) under the Professional subject stream.
- 9.4 If more credits than the relevant thirty (30) credits are selected during each level, these credits can be selected from Optional Course Units (O) of one of the main subjects or Optional Course Units (O)/Auxiliary Course Units (A) of any other subject.
- 9.5 Students are allowed to select optional and auxiliary courses or General Education Course Units from the same level or lower levels.
- 9.6 Students will be selected to follow the Bachelor of Arts Honours Degree in one of the major subjects from level two onwards only if the necessary requirements are fulfilled for that particular subject in level one (It is not possible to follow the Bachelor of Arts Honours degree in any other subjects).
- 9.7 Among the modern language subjects, Japanese and French require the pre-requisite of GCE A/L qualification or the students should

fulfill the necessary requirement from the selection test conducted by the Department of Modern Languages.

- 10.2 If two of the three subjects that you select are from the Faculty of Social Sciences, you will be considered a student of the Faculty of Social Sciences.

### **Bachelor Degree**

COURSE UNITS, Academic Year 2019/2020, Faculty of Humanities & Faculty of Social Sciences

A student should follow the Bachelor Degree Course based on three main subjects.

#### Completing the degree based on three major subjects

- A minimum of 90 credits should be obtained at the end of three years by accumulating 30 credits at each level.
- The academic credits that should be completed within a level can be obtained from the course units of the three compulsory subjects, Optional/Auxiliary course units.
- The minimum number of credits that should be gained per level is 30 and the maximum is 36.

#### Assessment of a Course Unit

Each Course Unit will be assessed at the completion of the unit and a grade will be assigned. The assessment of a course unit may be done through one or more of the following:

Examinations

Assignments

Reports

Presentations

Oral Tests

\* Internship

In class Tests

The relevant department will, at the commencement of a course unit, explain the method of assessment.

### Not attending the Examination

It is compulsory for all students to complete the registered course units. A student will be regarded as 'absent' due to his/her failure to submit a reasonable justification to the Appeals Board for being absent at the examination.

Those students who are unable to sit the examination due to unavoidable circumstances for the first time must submit a request to the Appeals Board explaining the reasons for being absent along with the request to consider his/her next attempt as the first attempt. This does not apply for the failed subjects.

#### Obtaining a Failed Grade

Grades below C (C-, D+, D, E) are considered failed grades.

### Repeat Examination

A student who obtains a grade below C (C-, D+, D, E) for a particular Course Unit may repeat the examination for the purpose of improving the grade up to "C" While attempting to improve the grade, if the student obtains a lower grade he/she will be entitled to the previous grade.

#### Re-sit Examination Only for final year students

A student who obtains a grade below C (C-, D+, D, E) for a compulsory course unit in the first semester of their final year may re-sit the examination for the purpose of improving the grade in the second semester. Those who obtain a grade below C (C-, D+, D, E) for a compulsory course unit in the second semester of their final year may re-sit the examination in the first semester of the following academic year. For this purpose, students are required to register for a special re-sit examination.

#### Accordingly,

- 01. The failed compulsory course units in the first semester of the final year can be improved at the special re-sit examination of the second semester of the final year and the failed compulsory course units of the second semester of the final year can be improved at the special re-sit examination of the first semester of the next academic year.
- 02. If the attempts at the special re-sit examinations were failed again, the students still get a final opportunity to obtain better grades at the special resit examination held for that purpose.
- 03. No. 01 and 02 above are not applicable for the subject COST.
- 04. If a student obtains a failed grade for his/her final year thesis, he/she will be allowed to amend the thesis and re-submit in the first semester of the next academic year. For this purpose, a report compiled by the examiner has to be submitted to the supervisor through the Head of the department. The student must do the amendment as per the recommendations of the examiner and resubmit. Examiners should be appointed again to examine the thesis.

### **Grading System**

Marks obtained in respect of a course unit will be graded according to the following grading system.

COURSE UNITS, Academic Year 2019/2020, Faculty of Humanities & Faculty of Social Sciences

Range of Marks	Grade	Grad	le Point Average
85-100		A+	4.0
70-84		A	4.0
65-69		A-	3.7
60-64		B+	3.3
55-59		В	3.0
50-54		B-	2.7
45-49		C+	2.3
40-44		C	2.0
35-39		C-	1.7
30-34		D+	1.3
25-29		D	1.0
00-24		E	0.0

#### **Grade Point Average**

Grade Point Average (GPA) is the credit - weighted arithmetic mean of the grade point values. i.e. the GPA is determined by dividing the total creditweighted grade point value by the total number of credits.

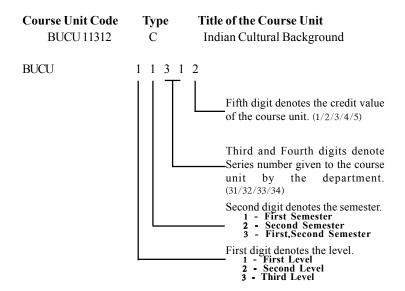

For example, a student who has completed two course units, each with 4 credits, one course unit of 3 credits and one course unit of 2 credits with grades A, B+, B-, C+ respectively would have the GPA as follows:

$$= \underbrace{\frac{4 \times 4.0 + 4 \times 3.3 + 3 \times 2.7 + 2 \times 2.3}{4 + 4 + 3 + 2}}_{13}$$

$$= \underbrace{\frac{16 + 13.2 + 8.1 + 4.6}{13}}_{13} = \underbrace{\frac{41.9}{13}}_{13} = 3.22$$

To be eligible to obtain the B. A. Degree, a student should have accumulated a minimum of 90 credits at the end of the course at the rate of at least 30 credits in each academic year and he/she should obtain a minimum of 2.00 GPA at the end of the course. The Grade Point Average is always rounded to two decimal points.
